

GLOBAL LOGISTICS SOLUTIONS

RELIABLE TRANSPORT & COMMODITY
SOLUTIONS FOR THE MINING
INDUSTRY

About Us.

GLOBAL LOGISTICS SOLUTIONS is a South African logistics and commodity trading company focused on delivering reliable, efficient, and professional transport and supply solutions to the mining and industrial sectors.

We specialize in the transportation of bulk commodities including coal, chrome, and other mining materials while also facilitating the buying and selling of commodities through our trusted industry network.

Our mission is to provide dependable logistics solutions and build long-term partnerships with mines, wash plants, warehouses, transporters, and commodity buyers across South Africa.
